If You will use mobile app
Mobile data must be enable in SIM card

The image shows a screenshot of a web browser displaying the Google Play Store page for the 'SERA Cloud IOT' app. The browser's address bar is highlighted with a red box and contains the URL 'play.google.com/store/apps/details'. Below the address bar, there are several tabs for 'Booking.com', 'Amazon.com', 'eBay', 'Facebook', and 'Getting Started'. The Google Play Store interface includes a search bar, a navigation menu with options like 'Apps', 'My apps', 'Shop', 'Games', 'Family', and 'Editors' Choice', and a main content area for the app. The app 'SERA Cloud IOT' is shown with a blue icon of a house with a Wi-Fi signal inside a cloud. The developer is 'TOPKODAS Tools' and the app is rated 'PEGI 3'. A message states 'You don't have any devices.' and there are buttons for 'Add to Wishlist' and 'Install'.
